The Conferences of John Cassian John Cassian, Aeterna Press, THE obligation which was promised to the blessed Pope Castor in the preface to those volumes which with God's help I composed in twelve books on the Institutes of the Coenobia and the remedies for the eight principal faults has now been as far as my feeble ability permitted satisfied I should certainly like to see what was the opinion fairly arrived at on this work both by his judgment and yours whether on a matter so profound and so lofty and one which has never yet been made the subject of a treatise we have produced anything worthy of your notice and of the eager desire of all the holy brethren But now as the aforesaid Bishop has left us and departed to Christ

meanwhile these ten Conferences of the grandest of the Fathers viz the Anchorites who dwelt in the desert of Scete which he fired with an incomparable desire for saintliness had bidden me write for him in the same style not considering in the greatness of his affection what a burden he placed on shoulders too weak to bear it these Conferences I have thought good to dedicate to you in particular O blessed Pope Leontius and holy brother Helladius Aeterna Press *Card-Carrying Christians* Rebecca C. Bartel,2021-05-24 In the waning years of Latin America s longest and bloodiest civil war the rise of an unlikely duo is transforming Colombia Christianity and access to credit In her exciting new book Rebecca C Bartel details how surging evangelical conversions and widespread access to credit cards microfinance programs and mortgages are changing how millions of Colombians envision a more prosperous future Yet programs of financialization propel new modes of violence As prosperity becomes conflated with peace and debt with devotion survival only becomes possible through credit and its accompanying forms of indebtedness A new future is on the horizon but it will come at a price **Transgender Marxism** Jules Joanne Gleeson,Elle O'Rourke,2021-05-20 Transgender Marxism is the first volume of its kind offering a provocative and groundbreaking synthesis of transgender studies and Marxist theory Reflecting on the relations between gender and labour it shows how these linked phenomena structure antagonisms in particular social and historical situations While no one is spared gendered conditioning the contributors argue that transgender people nonetheless face particular pressures oppressions and state persecution The collection makes a particular contribution to Marxist feminism and social reproduction theory through both personal and analytic examinations of the social activity demanded of trans people around the world Exploring trans lives and movements through a Marxist lens the book also assesses the particular experience of surviving as trans in light of the totality of gendered experience under capitalism Twinning Marxism with other schools of thought including psychoanalysis phenomenology and Butlerian performativity Transgender Marxism ultimately offers an insight into transgender experience and an exciting renewal of Marxist theory itself **Proceedings of the International Conference on Industrial and Manufacturing Systems (CIMS-2020)** Ravi Pratap Singh,Dr Mohit Tyagi,Dilbagh Panchal,J. Paulo Davim,2021-07-24 In order to deal with the societal challenges novel technology plays an important role For the advancement of technology Department of Industrial and Production Engineering under the aegis of NIT Jalandhar is organizing an International Conference on Industrial and Manufacturing Systems CIMS 2020 from 26th 28th June 2020 The present conference aims at providing a leading forum for sharing original research contributions and real world developments in the field of Industrial and Manufacturing Systems so as to contribute its share for technological advancements This volume encloses various manuscripts having its roots in the core of industrial and production engineering Globalization provides all around development and this development is impossible without technological contributions CIMS 2020 gathered the spirits of various academicians researchers scientists and practitioners answering the vivid issues related to optimisation in the various problems of industrial and manufacturing systems Road Map to Understanding Innovative
